Capabilities & Service Area

Infrastructure Support & Consulting

Findlay Construction Solutions, LLC provides freight transportation arrangements, material coordination, and consulting support for contractors and infrastructure projects across our Florida service markets.

OUR PRIMARY COVERAGE

DISTRICT 2	**Northeast Florida** Primary markets: Jacksonville, St. Augustine, and Gainesville.
DISTRICT 5	**East Central Florida** Primary markets: Daytona Beach, Ocala, and Orlando.
DISTRICT 7	**Tampa Bay Region** Primary market: Tampa Bay and surrounding communities.
DISTRICT 1	**Northern Counties** Selected northern county projects within our service footprint. Contact Findlay to confirm your project location.

How to use the map

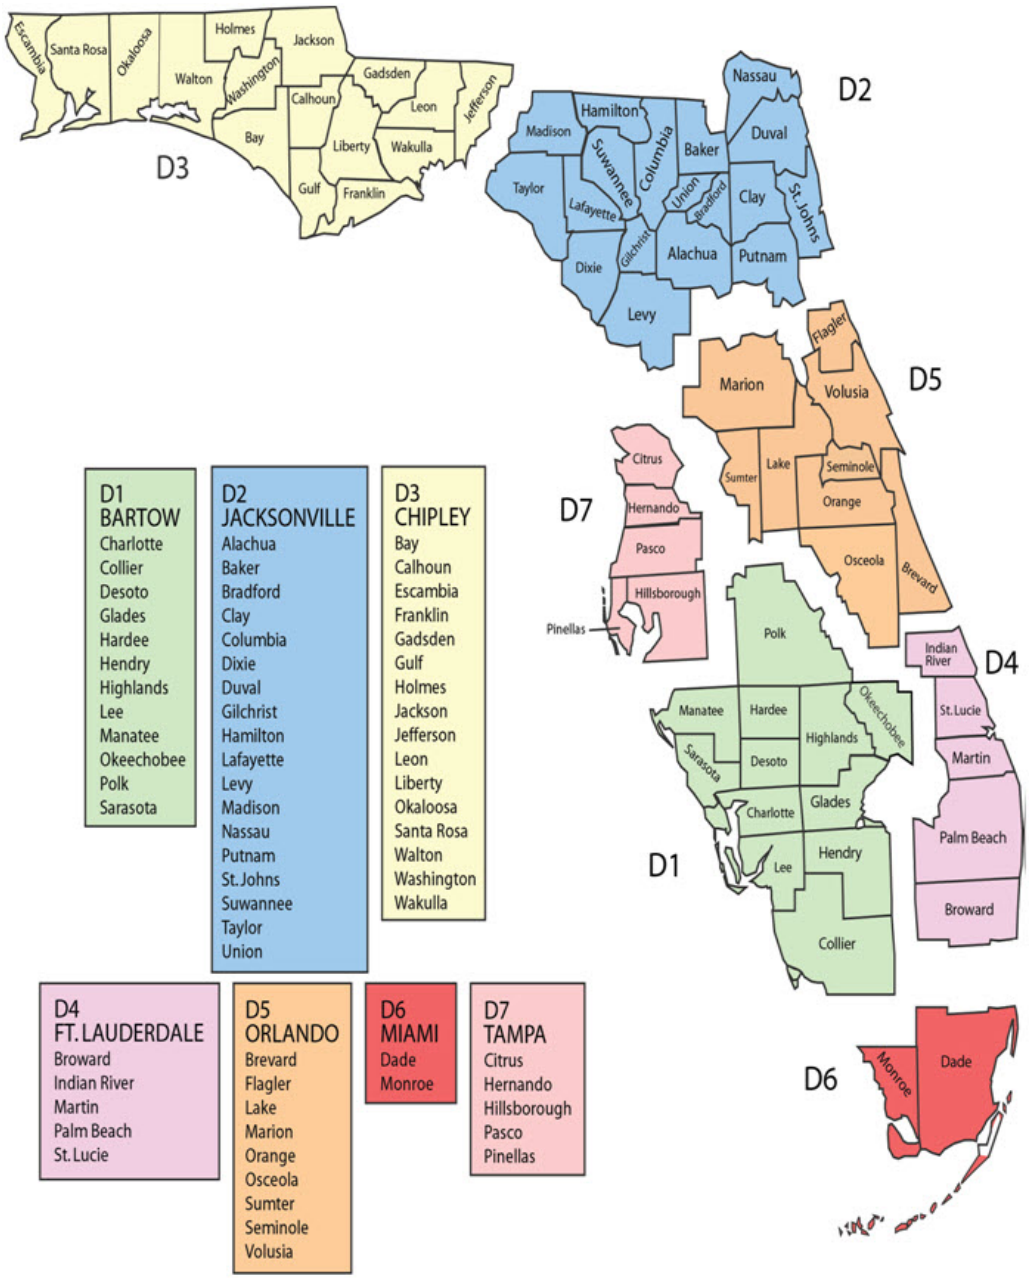

Page 2 shows FDOT district boundaries and county assignments. The statewide reference map includes districts outside Findlay's service area; use the coverage summary above to identify our primary footprint.

Discuss your project

Send your project location, anticipated schedule, and transportation or material coordination needs to estimating@findlaymaterials.com.
